<b>Health Services</b>		<b>No. SFWB/Letter of Appreciation to SDF for Vatsalya App</b> Date: 22/01/2025 3086

To,  
Mr. Uday Mehta  
Founding Director, Siddh Divyang Foundation  
Shivaji nagar, Pune 411016.

### Sub:-Letter of Appreciation - Association with Siddh Divyang Foundation (SDF) for Vatsalya Project

Dear Mr. Uday Mehta,

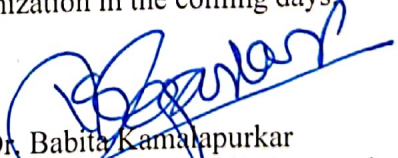

It has been our pleasure working with your team on "Vatsalya" project where SDF is technology partner. Our team has been consistently in touch with your team for the development and implementation of "Vatsalya" Mobile App and portal for data collection and monitoring of beneficiaries from preconception level.

So far progress is as per our expectation, and we look forward to maintaining the same pace in coming days. I am glad that Combined efforts of our team, UNICEF and SDF team are working together in synchronization.

- (1) First to conduct a Vatsalya Application user acceptance test in July 2024 at PHC under Pune district and user trail at Sinnar Block of Nashik district during August 2024 and positive response was received.
- (2) Initiation of Implementation of Vatsalya at Washim District on 6th December 2024 during which around 50 Officers from the district have been trained on the use of Vatsalya Application who will further train ANMs in their respective PHCs for data collection of beneficiaries.

Further to Eligible Couple Data collection and monitoring we would like to work with SDF for HBNC component to monitor babies from birth to 6 weeks and also quarterly monitoring of newborn baby's developmental milestones along with educational material for parents.

Looking forward to working with your esteemed organization in the coming days.

  
Dr. Babita Kamalapurkar  
Additional Director of Health Service  
(FW, MCH & SH) Pune.
