Dear Mr. Mehta,

We, at the **Koita Centre for Digital Health (KCDH), IIT Bombay**, would like to express our **interest in collaborating** with the **Siddh Divyang Foundation**. As part of this collaboration, the **KCDH team has an interest in studying data related to maternal and child health**. We believe that our expertise in **digital health, data analytics, and healthcare informatics** can contribute meaningfully to research and intervention strategies in this crucial area. Through this collaboration, we aim to generate insights that can **enhance healthcare outcomes and inform evidence-based policy decisions**.

We look forward to exploring opportunities for joint research, data analysis, and knowledge-sharing initiatives that can have a positive impact on maternal and child health.
